(An English Medium, Co-Educational, Senior Secondary School)

Ref. No.

Date: _____

St Vivekanand Public School, Sadabad successfully organized a joyful and creative Summer Camp for the Pre-Primary Wing (Classes Prep and V), which aimed at nurturing imagination, self-expression, and confidence among young learners. The camp was conducted from 15th May to 23rd May 2025. The “Trash to Treasure” activity saw

enthusiastic participation, with Prep students making colourful paper baskets and Class I students designing decorative photo frames using recycled materials. The activity encouraged creativity and awareness about reusing resources. In the lively “Dazzle Dance” sessions, children enjoyed learning basic dance steps, improving their coordination and confidence through music and movement.

The camp concluded with a cheerful Culmination Programme, where students showcased their talent through dance performances and craft displays. The event was graced by our Hon'ble Principal Sir, Dr Jagdish Sharma, who appreciated the children's efforts and encouraged them with his kind words.

The Summer Camp was a wonderful experience that combined learning with fun, leaving the children with happy memories and valuable lessons.

Thanks

Prerna Singh
