SCHOOL DRESS CODE POLICY

From the Principal's Desk....

Dear Parents,

The school strives to create an atmosphere that fosters academic excellence, personal growth, and social responsibility. To achieve this, we emphasize the importance of discipline and respect in all interactions, and at all times between school staff and parents.

All parents and guardians are requested to follow the School's Dress Code Policy when visiting the school, especially during pick-up and drop-off times.

It has been noticed that some parents arrive at school wearing short pants, knickers, rubber slippers or night suits. As children learn by observing their parents, it is important for adults to present themselves in a smart and respectful manner. Dressing appropriately for different occasions sets a positive example for children and helps maintain the decorum of the school.

It may also be noted that the entry into the school premises will ONLY be permitted if the parents are in the possession of the Parents' Identification details. In case the parents fail to carry the Identification details during their visit to the school during PTMs, Important Events or other Activities, they will not be allowed entry into the school premises.

Parents may note that the school's decorum and discipline cannot be compromised, and we request parents to cooperate with school authorities to ensure the safety and security of all students. The staff on duty is directed to ensure compliance on the above stated points.

The school appreciates the cooperation of all parents in helping to create a respectful atmosphere and in upholding the values of the school community.
